

Delivery Charges

The below charges are per load, as many trees and shrubs as will fit. After the 3rd B&B tree, \$8 per tree will be added to the charges listed below. If you do not see your area listed please ask for a quote. We can supply trees/shrubs almost anywhere in the US if ordered in large quantities. Charges are negotiated for difficult site conditions, and are COD to the delivery company, not payable to the nursery.
