

Planting Charges

Below are per tree prices for tree planting. Minimum planting charge will not be less than \$30 over the delivery charge for your area. **Please allow 3 working days for utility locates (required by law).** Additional trees can be delivered for \$8 per tree. Charges are negotiated for difficult site conditions. Remember, planting/delivery charges are COD payable to the planting companies, not the nursery.

Evergreen Trees	\$\$\$
3-4'	\$ 70.00
