

Delivery Charges

2/12/2019

The below charges are per load, as many trees and shrubs as will fit. After the 3rd B&B tree, additional trees can be delivered for \$10 per tree, \$50 per tree for Evergreens 10'/Deciduous 4" and over. If you do not see your area listed please ask for a quote.

We can supply trees/shrubs almost anywhere in the US if ordered in large quantities.

Charges are negotiated for difficult site conditions, and are **COD to the delivery company**.

There is a 10% (list price of tree) restocking fee for all trees returned.
