

Planting Charges

2/12/2019

Below are per tree prices for tree planting. Minimum planting charge will not be less than \$50 over the delivery charge for your area. **Please allow 3 working days for utility locates (required by law).**

Additional trees can be delivered for \$10 per tree, \$50 per tree for Evergreens 10'/Deciduous 4" and over

Charges are negotiated for difficult site conditions. There is a 10% (list price of tree) restocking fee for all trees returned.

Planting/delivery charges are COD payable to the planting companies, not the nursery.
