Delivery includes up to 3 trees and 10 shrubs. It includes loading, transporting, unloading, and setting your trees/shrubs curbside. After 3 trees add \$10/tree, & after 10 shrubs add \$3 per shrub to your base curbside delivery fee. Delivery prices are based on the distance (miles) from the nursery to your address using Google Maps. Posted prices are for within El Paso County only. If you want your tree set in the hole add the per tree prices (see chart) to the delivery charge for your area. Delivery is not available for trees tagged "Special Access Required". Prices will be negotiated for difficult site conditions with the planting company. Delivery is paid at the time of service to the company doing the work.

-Delivery **DOES NOT INCLUDE** digging the hole, filling in the hole, staking, strapping, amending the soil, or utility locates.

-**Planting Charges** are per tree based on size and whether a mini-skid or ball cart is used to get the tree to the planting site. The minimum Planting Charge within El Paso County will not be less than **\$225**. Planting includes delivery, calling utility locates (required by law), digging the hole, amending the soil, staking and strapping your tree, and clean up. Charges for difficult sites will be negotiated with the planting crew. Please notify the nursery or the planting crew doing your job of any obstacles such as steps, retaining walls, gates, window wells, AC units, etc that might limit access. Have your planting locations marked and labeled with white flags prior to your planting date. Flags are available at the nursery at no charge. Planting is paid at the time of service to the company doing the work.

-Planting **DOES NOT INCLUDE** tree/stump/root removal, unless the tree being replaced is a replacement covered under our guarantee. It does not include repairs to private lines such as irrigation, septic systems, wells, private electric/gas lines, etc. Charges for these repairs/removals will be negotiated with the planting companies.

-Trees tagged "Special Access Required" require the use of a full size skid steer. In addition to the per tree cost, add \$500 per day for the use of a full size skid steer. Pictures of your site must be approved by the nursery prior to your planting date to ensure there is access.
