PLANTING OR DELIVERY CHARGES

*Charges are per tree/plant and cannot be less than the minimum planting or delivery fee. See Next Page.

*Delivery **INCLUDES** setting the tree/plant next to your planting site. Delivery does not include digging the hole, setting in the hole, staking, removing wire basket, etc. Prices are negotiable for difficult site conditions.

*Planting **INCLUDES** delivery, digging the hole, amending the soil, staking and strapping the tree, and clean up. If you purchased Mykes at the nursery they will apply it during planting. Prices will be negotiated for difficult site conditions including but not limited to access, digging conditions, stump/root removal, etc. Planting prices also include calling 811 **ONE TIME** to have your public utilities marked.

*Planting **DOES NOT INCLUDE** tree/shrub/root removal from previous planted trees UNLESS the tree being removed is still under the Nursery's guarantee and was originally planted by the planting companies. It does not include repairs to private lines like irrigation/sprinkler lines, low voltage electric lines, private electric lines, private gas lines, septic, well, etc. Customers are responsible for repairs to private lines as the planters will have no idea where those lines are.

*If your tree is tagged as a special access tree ^^ it is big! It also requires using larger equipment to handle and plant. Add \$500 to your planting total for the mobilization and use of the larger equipment. This is per day basis at one planting site. A minimum of 8' is required to plant these trees. Pictures must be emailed to the planters within 24 hours of the day you purchase the trees for access approval.

*If you live in Zone 5 (see yellow chart on the next page) add \$25 to your planting/delivery total. This is to cover extra cost associated with the combination of spread out stops, difficult sites, and/or harder digging conditions. If your address is over 26 miles from the nursery OR outside of El Paso county we will need to get a quote from the tree planting companies to plant in your area.

ALL Planting & Delivery Charges are paid AT the time of service ON your planting day TO the planting company, NOT to the nursery. They accept Check, Cash, & Credit Cards. A 3.25% processing fee is added for credit card payments.

EMAIL pictures of your invoice and your planting site showing access from the street to you planting site to: trees@frontrangeplanting.com.

Mini Skids (left) require a minimum of 43" access. 48" for trees 10' and taller or 4" caliper & bigger.

Special Access trees require an 8' opening for the larger equipment (not shown).

This site had very narrow access due to window wells. The trees had to be hand carried in. This site had additional charges.
